Virtual Academy Secretary

Minimum Pennsylvania 6-12 Attendance Requirements:

Middle and High School students must have 990 hours of instruction. All instructional time and activities need to be tracked for attendance purposes. System time requirements are below. Logs will be accessible in Homeroom courses to record time worked outside of the learning management system.

- 1) System time for grades 6-12 is 5 hours and 45 minutes an instructional day. Any additional hours put in offline will need to be recorded. A log will be provided to record offline instructional activities and time. Live lesson time does include out of system time and should be logged. There should be a total of 5 hours and 45 minutes logged each day, whether in the system or offline. This will be a total of 28 hours and 45 minutes a week.
- 2) Students are required to attend live lessons and/or discussions with his or her teacher throughout the course. Live lessons will occur through Zoom video conferencing.
- 3) Students must log in for the specified time above. Any time not accounted for whether through the system or offline instructional time may result in truancy issues.
- 4) The students must have the **minimum hours** logged for their grade level each school week (Monday-Sunday). Failure to adhere to this may result in truancy issues or removal from the program.
- 5) An excuse will be required if a student misses multiple live lessons, misses a half day of work, or is absent due to illness or appointment. An appropriate excuse must be emailed, faxed, or mailed to the above address. If it is not received within 5 school days, then the absence will be considered unlawful or unexcused. All Pennsylvania truancy laws will be followed.
- 6) If you have issues with internet access, please call our office immediately so that we are aware and can try to assist if possible.
- 7) After 6 unexcused days of not working the required hours per day, a medical excuse will be required. The WCSD Attendance Policy 10110 applies to all WCSD Virtual students and will be followed.
- 8) If the program is not working, please call between 8:00am and 3:00pm so we can assist you.
- 9) Progress in addition to time is an expectation and must be made in all coursework. Lack of progress will result in a referral to the Child Study Team to ensure all supports available are offered.
