

Name

Dr. Amy Kunkel

Year of Graduation

2006

What have you done since graduating from Port Allegany High School?

After graduation, I attended college in North Carolina and completed a Bachelor of Science in Biology with a minor in Chemistry. Afterwards, I attended veterinarian school at Iowa State University. I graduated with my doctorate of veterinary medicine in 2015 and have since worked for Colorado State University.

I am currently employed by the University as a clinical instructor and spend my time working one on one with students on a variety of livestock species including cattle, pigs, goats, sheep, bison, yaks, and camelids.

Where do you currently live?

Fort Collins, Colorado

Who was your favorite teacher in high school? Why were they your favorite?

Mr. Bill Potter was my favorite teacher during my time at Port Allegany. He was passionate and knowledgeable about the subjects he taught and always encouraged me to work towards my goals.

What is your fondest memory of Port Allegany High School?

One of my fondest memories of high school was the celebration and achievement of graduating. It was a fun time and great ceremony.
