

## Alumni of the Month - Dr. Jason Tronetti

### Year of Graduation

1990

### What have you done since graduating from Port Allegany High School?

I graduated from Gannon University with a Bachelor of Science degree. My Doctoral Degree was earned at Philadelphia College of Osteopathic Medicine. I completed my internship and residency at the Geisinger Medical Center in family practice.

Dr. Tronetti has his family practice office in Port Allegany and also serves as the school doctor for the Port Allegany School District. He is a member of the Board of Directors for the Smethport Area School District and a board member for Charles Cole Memorial Hospital.

### Where do you currently live?

Smethport, Pennsylvania

### Who was your favorite teacher in high school? Why were they your favorite?

Mr. Owen. I received a 100 percent on a calculus final in college and that had never been done with that particular professor.

### What is your fondest memory of Port Allegany High School?

Playing basketball at the courts late at night.
