

Name

Isaac Greeley

Year of Graduation

1994

What have you done since graduating from Port Allegany High School?

I graduated from the University of Pittsburgh at Johnstown with a degree in Biology. At UPJ I was a two time NCAA All-American wrestler, NCAA national runner-up, two time First Team Academic All-American, and a member of the 1996 and 1999 NCAA Division II National Championship Wrestling Teams.

I graduated Cum Laude with my doctorate in chiropractic from New York Chiropractic College. I was the 2002 Student Clinic Award recipient. I am now a partner at the Rehab Centre with offices in Apollo, Kittanning, Lower Burrell, and Clarion. I also own and run the Mat Factory Wrestling Club and work with youth, high school, and college wrestlers, jiu jitsu competitors, and MMA fighters. One of them is the first Pittsburgh-based fighter to make it to the UFC, Chris Dempsey.

I also coach wrestling at Burrell High School. Their team has won the last nine WPIAL wrestling championships and eleven of the last thirteen since I began coaching. Finally, I help Sean Lathrop and Aaron Rendos run the Bruno Iorfido Memorial Wrestling Camp at Port Allegany High School. This is the twentieth year running the camp and twelfth as the BIWC, which has awarded \$23,000 in scholarships to wrestlers who exemplify Bruno's character and dedication.

Where do you currently live?

I live in New Kensington, about twenty miles northeast of Pittsburgh. I live with my lovely wife Laura and my six year old daughter Seneca.

Who was your favorite teacher in high school? Why were they your favorite?

This is a tough question to answer. Mr. Kriner was the most influential person in my life as a high school student. He helped me understand how to use sports (wrestling) as a vehicle in my life. I also always seem to remember Mr. Caskey as being a great teacher. He made learning fun for me.

What is your fondest memory of Port Allegany High School?

High school football games were probably the most fun thing I've ever done.

Thank you for the nomination, and I hope every student at Port Allegany understands how lucky they are to grow up in such a special place. I'll always be a Gator and cherish my memories of PAHS.
