

**Name**

Mandy Andreano

**Year of Graduation**

1998

**What have you done since graduating from Port Allegany High School?**

After graduation, I attended the Olean Business Institute and completed my Associate's Degree in Administrative Assistance. Upon graduation, I was employed in the Franchise Accounting Department with Adelpia Communications in 2000.

After six years with the company, I found new opportunities in the Regulatory Tax Department with Level 3 Communications in April 2011, and after being laid off from Level 3, I decided to return to college to pursue my Bachelor's Degree in Accounting. I worked part-time at Drabee's Mini Mart while completing my classes, and in July 2012, my husband and I opened Rick's Auto in Port Allegany. Once the business started, I worked at Roulette Township, and today I am currently employed as the 1st Deputy for the Potter County Register and Recorder's Office in Coudersport.

I got married in 2005 to my best friend, Rick Andreano. We share together three beautiful children - my step-daughter, Kendra (16), as well as our children, Sam (13), and Maddy (9).

I am currently a Girl Scout leader, Secretary/Treasurer for the Northern Star Service Unit, Secretary for the Roulette and Port Allegany Alumni Associations, Secretary for the Roulette Parks & Recreation Committee, a Friend of the Roulette Library, and most recently an Assistant Coach for Port Allegany Cheerleading. I enjoy volunteering for everything that my children are active in, or will be active in, during their school years.

**Where do you currently live?**

I currently live in Roulette, where I have lived my entire life. I love this small town. We are all family here.

**Who was your favorite teacher in high school? Why were they your favorite?**

Mrs. Hutton tapped into my creativity - her class was my personal joy, and to this day, I find relaxation in art. Mr. Daisley always said "Learn By Doing," and from him, I learned to do everything you can, so you can learn as much as possible. Mademoiselle Kennedy was so sweet - she always had time to listen. These are only a few of those who had an amazing impact. There were so many others.

**What is your fondest memory of Port Allegany High School?**

My fondest memory was graduation because I was with my best friends when they were able to start the next chapter of their lives, whether it be work, college, marriage, children...it doesn't matter because every experience is a valuable one.

Amanda Kaziska
