The venture of providing a camping program for special children was the dream of June Johnson, who worked to develop the summer camping program. June passed away before the first camp was held. Her dream was carried out by her husband Bill until his death in 1996. Now the Board of Directors continues their work

Cam JJ is a residence camp for children with special needs. Camp JJ provides opportunities for children to experience the thrill of camping and spending several days on vacation away from family and siblings. Camp JJ will be held at the Highlander Christian Camp, South Settlement Road, Kane, Pa. These young children have the opportunity to enjoy learning outdoor skills with other children and activities planned around a theme. Participation, not competition is emphasized.

Volunteers provide the go-power to make camp possible, the staff is comprised of local teenagers, college students, senior citizens and friends of Camp JJ who donate their time and talents. Each Camper is supervised by a staff counselor for 24 hours a day. Children between the ages of 9 and 21 living with parents or guardian in private homes throughout McKean County and enrolled in classes for the developmental handicapped are eligible to attend Camp JJ. Every child must have a physical to attend camp, please set up an appointment for a physical ASAP!

**Camp will be held in two sessions:**
